

IceCube Analysis Matrix v13.0 2012.0927.xls

Institution / Analysis Topics	Cosmic-ray	Point Source	Diffuse-Atmospheric	GRB	Exotic particles	Super-nova	WIMP	Muons	Cascades	Hybrid /Tau	EHE / Brights	Low-E	Current locations of WG Chairs and Co-Chairs (nominal 2-yr terms)
Chiba University													EHE co-chair
Adelaide University													
Clark Atlanta University													
DESY-Zeuthen													Analysis Coordinator, Muon co-chair
EPFL - Lausanne													
Georgia Tech													
Humboldt Universität Berlin													
LBNL													Diffuse Co-chair
Ohio State University													WIMP co-chair
Oxford University													
Pennsylvania State University													Low-E co-chair
RWTH Aachen													
Southern University													
Stockholm University													Point source chair
Stony Brook University													Cascade co-chair
Technische Universität München													
Universität Bochum													
Universität Bonn													Cascade co-chair
Universität Dortmund													
Universität Mainz													SN chair
Universität Wuppertal													Exotic Chair
Universite de Mons													
Universite Libre de Bruxelles													
University of Alabama													Tau chair
University of Alaska													
University of Alberta													Low-E co-chair
University of California, Berkeley													Diffuse co-chair
University of California, Irvine													
University of Canterbury													
University of Delaware													CR co-chair
University of Geneva													
University of Gent													
University of Kansas													
University of Maryland													Chair: GRB, Co-c: EHE
University of Wisconsin, Madison													CR co-chair
University of Wisconsin, River Falls													
Uppsala University													WIMP co-chair
Vrije Universiteit Brussel
