Special offers   Reviews

FCC Class A emissions device for use in commercial environments, not residential environments[13]

Print on a wide range of paper sizes—up to A3—with a standard 600-sheet input capacity. Preview and edit scanning jobs.

FEEDBACK

Centrally manage printing policies. Safeguard sensitive business information.

Producing top-quality documents up to A3—print, copy, and scan using a reliable MFP with robust manageability and security features.

Expand your options with sharp A3 printing

Empower your teams to do more—print, scan, and copy on paper sizes up to A3—from a desktop-sized MFP.Stay focused on work —paper capacity up to 4600 sheets and high-capacity cartridges limit interruptions.[2,4]Get impressive document quality with near edge-to-edge printing.Print what you need, even on the go— from your smartphone or tablet—using HP ePrint[3] or Apple AirPrint™.[6]

Quicken your business pace.

Streamline tasks—print, scan, and copy projects directly at the MFP's large color touchscreen.Save time by launching one-touch workflows with HP Quick Sets.Get just the results you need— using touchscreen controls to preview, edit, and reorder scans at the device.Easily send scanned files to multiple destinations. Print right from a memory device via the USB port.

Manage and protect your fleet for the long run.

Simplify fleet management using world-class tools such as HP Web Jetadmin,[7] and reliably safeguard devices.Safeguard data —at rest or in transit—with an encrypted hard drive, user authentication, and security features.Add security tools—such as card and badge readers—via the hardware integration pocket.[8] Extend the capabilities of workteam print environments, using a rich array of easy-to-integrate solutions.

Help save energy and reduce environmental impact.

Reduce energy use with HP Auto-On/Auto-Off Technology,[9] and conserve power with Instant-on Technology.[11]Conserve resources and save paper—use automatic two-sided
